OTHER RELEVANT MATTERS:

THOMAS M. GOULD
CLERK, U.S. DISTRICT COURT
WD OF TN, MEMPHIS

Interrogatories, Requests for Production and Requests for Admissions must be submitted to the opposing party in sufficient time for the opposing party to respond by the deadline for completion of discovery. For example, if the FRCP allow 30 days for a party to respond, then the discovery must be submitted at least 30 days prior to the deadline for completion of discovery.

Motions to compel discovery are to be filed and served by the discovery deadline or within 30 days of the default or service of the response, answer, or objection which is the subject of the motion if the default occurs within 30 days of the discovery deadline, unless the time for filing of such motion is extended for good cause shown, or any objection to the default, response, or answer shall be waived.

The parties are reminded that pursuant to Local Rule 7(a)(1)(A) and (a)(1)(B), all motions, except motions pursuant to FRCP 12, 56, 59, and 60, shall be accompanied by a proposed Order and a Certificate of Consultation.

The opposing party may file a response to any motion filed in this matter. Neither party may file an additional reply, however, without leave of the court. If a party believes that a reply is necessary, it shall file a motion for leave to file a reply accompanied by a memorandum setting forth the reasons for which a reply is required.

At this time, the parties have not given consideration to whether they wish to consent to trial before the magistrate judge. The parties will file a written consent form with the court should they decide to proceed before the magistrate judge.

The parties are encouraged to engage in court-annexed attorney mediation or private mediation on or before the close of discovery.

This order has been entered after consultation with trial counsel pursuant to notice. Absent good cause shown, the scheduling dates set by this Order will not be modified or extended.

IT IS SO ORDERED.
